Wedding styling and floral packages

Most of our clients opt for a package combining decorative styling and bridal bouquets.

We design each package on a bespoke basis, depending on your exact requirements. We are happy to provide an itemised quote after a consultation at our shop in Selby.

To give you an idea, most of our clients for 2025/26 are spending around **£2000 - £2500** for full styling and florals, (including bouquets)but of course some spend more, some spend less.
